OWL PEST PREVENTION

Professional Pest Prevention Services Since 1921

Notice: All Tenants/Residents having their space treated should be given the following instructions:

1. If mice - put away all food products as explained in preparation letter.
2. Do not leave food out overnite and report leaky faucets.
3. Please allow 2 weeks for the treatment to take effect.

Preparation letters are available at www.owlpest.com.
Please issue appropriate letter to everyone requesting service.
